A. No. Absolutely not!!! Only you (the renter) are permitted to drive the motor vehicle. A. No. You can only use the rented Motorcycle | Motorbike | Scooter for the purpose of tourism (exploring) on clearly defined “main” roads.

Q. If the rented vehicle breaks down or is damaged -- can I do the repairs myself or take it to a shop of my choosing to have the work done?

A. No. “2MJ” is the only company certified to make the necessary repairs (do not attempt to repair it yourself or take it to any other shop – only bring it back to “2MJ”)

Q. If the rented vehicle breaks down outside the Angeles City region am I responsible for transporting the rented vehicle back to the “2MJ” store-front location (Stall No. 72 Fields Avenue Balibago, Angeles City Philippines 2009)?

Q. Do I need to get insurance before or at the time I am renting from “2MJ”?

A. Every vehicle is insured in accordance with (current) Philippines liability however additional Insurance coverage is the responsibility of the renter.

All our vehicles (car, van, scooter, motorcycle, motorbike) have the ₱50,000 of required insurance for 3rd party damage. However, this is a small amount of insurance and pays nothing for the damage to the rented car, motorcycle, scooter, motorbike or van which (you) the renter is fully liable for under the terms of the signed rental agreement.
